Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.

Examiner's signature, if required

Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Applicant inquired as to whether an amendment incorporating resources "user sites, electronic greeting cards, electronic books, movies, music, images and photo albums" as argued by applicants in response dated February 5, 2007 and noted by examiner in the Final Office action dated April 18, 2007 would overcome the prior art of record. As Edlund does not explicitly disclose the specified electronic resources, the examiner agreed that any amendments incorporating the limitations would overcome the prior art. However, this amendment would require further consideration and search, therefore would not be entered after Final. Applicants will consider filing an RCE for examiner consideration and search of these limitations.
